

Investing for Success

Under this agreement for 2016

Payne Road State School will receive

\$72,200*

This funding will be used to

- Embed "Feedback", a high yield strategy, into our planning and assessment cycle to improve student outcome through Feedback FOR Learning;
- Professional development for teachers and staff in our focus areas of reading, writing and curriculum delivery;
- Whole school, collaborative teams and individual planning for units of work, differentiation and intervention;
- Planning and Feedback, Data Analysis, Differentiated Instruction and Coaching and Mentoring embedded into our preparation and teaching cycle;
- Increase support for early intervention

Specific Targets outlined in our Whole School Improvement Agenda

- 98% of Year 3 students above National mean score for reading and writing by 2017;
- 95% of Year 5 students above National mean score for reading and writing by 2017;
- 100% of Teachers involved in preparation and teaching cycle with Head of Curriculum and leadership team;

Our initiatives include

- Releasing Teachers for planning of units of work with the Head of Curriculum
- Releasing Teachers to work with Feedback consultant and leadership team to review weekly goals for teaching and feedback;
- Professional development for Teachers in Reading 2 Learn as part of whole school improvement strategy;
- Additional support staff for intervention.

Our school will improve student outcomes by
