Our school initiatives are on track to meet or exceed our targets

During 2016, we focused on maximising the benefits of this funding for our students. After reviewing our 2016 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Releasing all Teachers for planning of units of work with the Head of Curriculum;
- Professional Development for Teachers in Reading 2 Learn as part of a whole school improvement strategy;
- Additional support staff for intervention.
